

Our PE this Half Term

This half term we are developing our skills in Cricket. PE for Year 5 will be on Friday's. The children will be looking to become more accurate in under arm bowling and developing over arm bowling skills.

Our RE and World Views

This half term we will be studying 'Justice', looking at different people's perspectives and points of view.

How can you help at home?

Reading - Please take time to read with your child at home and encourage them to explore as many different text types as they can. Our expectation is that pupils are to read at home at least three times a week.

YEAR 5 HALF TERM HOMEWORK

In Spring 2 we will be learning about **Rivers and Biomes**. We would love to see what you can find out before we start! How about making something creative to support your learning? How about visiting a local river to see what it's used for?

Dates for your Diary

Mon 4th and Wed 6th March - Parents' Evening.

Thurs 7th March 2024 - WORLD BOOK DAY.

Thurs 28th March 2024 - Early closing at 1.00pm.

Wed 8th May 2024 - Year 5 London Trip.

Nine Acres Primary School Spring Term 2 2024

Year 5 Team

Mrs Barbour

Miss Pitts

Miss Boxell

Mr Carr

Mrs Winter

Dear Families,

We had a great half term, being spies whilst reading Alex Rider and writing descriptions of missions using our own Bootcamp as a reference.

We are continuing with our new spelling challenge especially for Year 5. There are raffle tickets at stake when children get all their target spellings correct!

Please do come and talk to us before or after school if you have any questions.

With thanks,

The Year 5 Team.

Knowledge Organiser

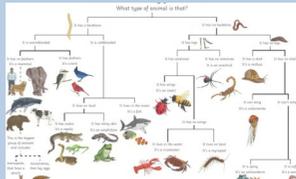

'Striving for Excellence'

Year 5 - Spring Term 2 2024

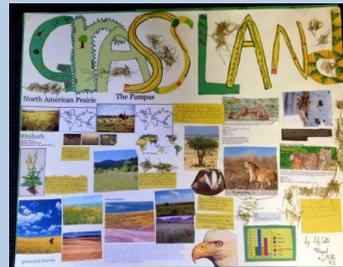

Science

This term we will be studying animals and living things. We will be comparing the life cycle of animals, plants and humans and then representing how we can classify these animals on a dichotomous key.

Geography

- This term we will be studying 'Rivers and Biomes'
- We will be taking a field trip down to the River Medina, explore the route maps and then look at different biomes on the Isle of Wight and then around the world.

Music

This term we will be looking at composing our own music to the topic of Rivers and listening for the techniques used to create these effective sounds.

We will be broadening our use of musical instruments.

Our English this half term!

This term's exciting book!

Our book this half term is '**The London Eye Mystery**,' which tells the story of how Ted investigates the mystery of how his cousin, Salim, seemingly vanishes from inside a sealed capsule on the [London Eye](#). We will get to know the main character Ted through our inference and deduction skills and use this knowledge to write a detailed character profile. We will be reporting on Salim's mysterious disappearance by scripting and performing our own TV news bulletins.

Our Maths this half term!

To start this term we are developing our strategies to multiply and divide before moving onto studying decimals, percentages and fractions. We are looking at how they are all related and their equivalence.

We then move on to perimeter and area of shapes!
