

Our PE this Half Term

PE with Mr Toulson will be on a Monday afternoon. Please make sure your child comes to school in their PE kit on a Monday every week and have a water bottle with them.

Our Religious Education and World Views this Half Term

This half term will be looking into the concept of 'thankfulness'. We will be talking about what we are thankful for and how we show people we are thankful. We will apply this to Christianity and introduce the children to Harvest Festival. How do you show you are thankful?

How can you help at home?

Reading - Please read at home with your child as much as you can!! Books will be collected weekly, don't miss out on those prizes! Please remember to log all reads on the Go Read app.

Maths - We have been practising counting and adding using number bonds within 10, please keep counting at home and practise addition with one digit numbers.

Science - We will be studying all about animals, where they come from and how to identify them. What animals can you see outside? Why can't giraffes live on the Isle of Wight?

Dates for your Diary

Week Commencing - Mon 7th Nov - Assessment Week.

Nine Acres Primary School Autumn Term 2 2022

Year 1 Team

Mrs White

Mrs Gosset

Miss Chandler

Mrs Smith

Dear Families,

This term we are going back in recent History to learn how the common telephone has changed over the years.

Do you know who invented the telephone? Does everyone in your family own a mobile phone and how have they changed?

We look forward to exploring more!

With thanks,
The Year 1 Team.

Knowledge Organiser
'Striving for Excellence'

Year 1 - Autumn Term 2 2022 - How many ways can you send a message?

Important facts to know by the end of this topic:

- Alexander Graham Bell invented the telephone.
- One of the first public telephone boxes was called K1 and one can be found in Bembridge on the Isle of Wight!
- In 1985, the first mobile phone for personal use was used in the UK.
- Telephones in the past were not as small as we have today and many children your age did not have a mobile phone.

Key Skills

Children create a timeline of telephones, adding in key dates.

Children explore how technology has changed through phones from landline to mobile.

Key Vocabulary

History - the study of past events.

New - produced, introduced, or discovered recently or now for the first time; not existing before.

Past - gone by in time and no longer existing.

Old - belonging to the past.

Object - a material thing that can be seen and touched.

Our English this half term!

JULIA DONALDSON! We all know and love Julia Donaldson books such as The Gruffalo and Smartest Giant in Town so we were going to become authors. Inspired by her books. Starting with Room on a Broom and ending with a firm favourite Tabby McTat.

This term's exciting books!

Our Maths this half term!

We will continue with exploring addition and subtraction then we will move on to shapes.

We will be focusing on naming 2D and 3D shapes and finding them in our environment.

We will be creating patterns and pictures with shapes and solving problems involving these things.
