## U11 Girls Cricket

The girls took on The Bay in their quarter-final match. With The Bay batting first our girls showed some excellent fielding skills. Getting a few run outs helped us chase the total of 82 runs.

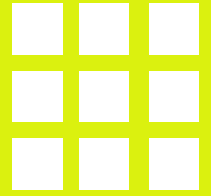

Our girls batted brilliantly, scoring some boundaries and running well, the game went right down to the wire. Winning the game with 2 balls to go.

Now to the semi for the girls.

## U9 Cricket

On Tuesday, our U9 boys took on Brighstone Primary. With Nine Acres batting first, the boys scored 59 runs, with some great batting skills on show. Powerful hitting and great communication when running.

When fielding, we saw lots of accurate bowling and sharp fielding with Brighstone only scoring 48 runs.

Well done boys!!
