

Our PE this Half Term

PE with Mr Toulson will be on a Monday afternoon. Please make sure your child comes to school in their Nine Acres PE kit on a Monday every week and have a water bottle with them.

Our Religious Education and World Views this Half Term

This half term will be looking into the concept of 'welcoming'. We will be discussing when we can show ourselves to be welcoming to others and how it affects people's feelings. This will then link into our learning about Palm Sunday.

How can you help at home?

Reading - Please read at home with your child at least 3 times a week. Please remember to log all reads on the BoomReader app.

Maths - Counting in 2s, 5s and 10s. Remember to practise your number facts to get your badges (number bonds to 10, doubles and near doubles).

Homework - Homework will be given out on a Thursday and is due in the following Monday.

Dates for your Diary

Mon 3rd March 2025 - Parents' Evening.

Wed 5th March 2025 - Parents' Evening.

Wed 5th March 2025 - Geography Fieldwork Walk.

Thurs 27th March 2025 - Rock Kidz.

Fri 4th April 2025 - Early closing at 1.00pm

Mon 7th April - Friday 18th April 2025 - EASTER HOLIDAYS.

Mon 21st April 2025 - Bank Holiday.

Nine Acres Primary School Spring Term 2 2025

Year 1 Team

Mrs Padro

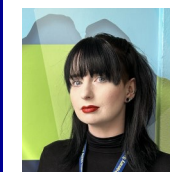

Mrs May

Miss Chandler

Miss Gardiner

Dear Families,

We hope you have had a relaxing half term! We are pleased to be back and get straight into our new learning.

This half term we will be focussing on fieldwork in Geography. We will be collecting and presenting data about our local park and around our school environment. To support your child's learning, please discuss the routes that you take and talk about what you can see on these routes.

We are very much looking forward to another exciting half term and want to thank families for their engagement and support at home.

With thanks,

The Year 1 Team.

Knowledge Organiser

'Striving for Excellence'

Year 1 Knowledge Organiser - Spring Term 2 2025

Science

We are continuing to explore plants this half term as different plant life starts to bloom around the school.

The children will be delving into nature will and studying the structure of plants. We will also be sorting wild and garden plants - don't forget to look out for these at home and when you are out and about!

We will research Anna Atkins and will be creating our own cyanotypes in Art!

Geography

This term we will be carrying out fieldwork at our local park and around our school environment.

Using different maps we will plan our route to the park, where we will collect data on the facilities at the park and think about how we could improve it.

When exploring our school

environment, we will be collecting data on where we find plant life and think about how we can encourage more plant life around school.

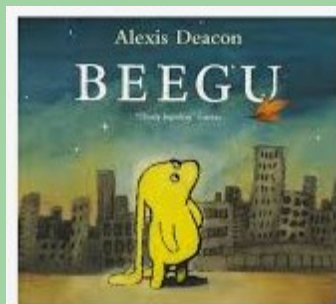

Music

In Music this half term we will be composing our own music! We will be jetting off into space, exploring the work of Gustav Holst and his famous work 'The Planets Suite'. We will be learning all about conductors and their role in musical performances as well as working together to create simple ostinatos to perform to the group!

Our English this half term!

ZZZZOOOOOOOMMMM! We are off to space with our core text Beegu! This half term we will be learning how to write a letter and creating a new page for the story! We will also be exploring the differences between fiction and non-fiction text. In order to write a fact file all about Earth to send back to Beegu!

This term's exciting books!

Our Maths this half term!

Our Maths learning this half term includes counting and exploring numbers to 50. We will partition numbers into tens and ones leading on to adding and subtracting. We will finish by exploring length, height, mass and volume.
