Match Report 1

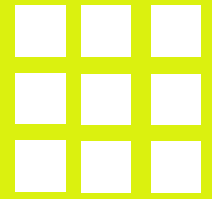

On Monday 11th December, our U10 boys football team played their first game of the season vs Haylands Primary. They had great fun during the game and showed great determination. Not giving up despite the result. We lost the game 8.0 unfortunately.

POTM - Freddie and Seb

Pupils proudly represent their school in competitions, such as basketball and football.

Match Report 2

On Thursday, the U11 football team travelled to Greenmount Primary School for their league match. A very close game, with some brilliant football played. In the last minute, Harrison scored the only goal of the game.

Well done team!

POTM: Mithrann

'Pupils make exceptional progress in this compassionate and determined school.'
