Sporting Skills Award

Edinburgh - Jack

This week in PE

Children in EYFS took part in a skills circuit this week. They practised their rolling in pairs, under and over arm throws as well as batting.

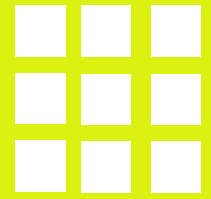

In KS1, children have been developing their batting skill. They have been using different sized balls using cones and batting tees.

In KS2 children have continued to develop their confidence and technique when playing games specifically batting and bowling.

Pupils proudly represent their school in competitions, such as basketball and football.

Match Report 1

On Friday 15th March, our U9 boys played against Queensgate in their cup final.

We found ourselves 2-0 down but our boys never gave up.

They showed excellent teamwork throughout the game. The result just didn't go our way. We lost 3-2 but we're so proud.

Well done boys!!

Match Report 2

On Tuesday, the U11 Girls football team played their quarter-final match against Haylands Primary.

The girls played brilliantly throughout the game with the final score 2-2. After 9 penalties, Nine Acres won 5-4.

On Wednesday, the U11 Girls took on The Bay in the semi-final.

After conceding early we did our best to score and just couldn't find the back of the net.

Player of the Match - Ruby

'Pupils make exceptional progress in this compassionate and determined school.'
