'Striving for Excellence'

Statement of Action 2018-19 Spring Term Update

Funding Priorities - 2018-19

This year our aim is to further increase the percentage of good to outstanding teaching across the school whilst continuing to further develop highly skilled leadership at all levels.

The initiatives implemented within the last academic year to address quality of teaching have shown impact and will continue to be developed to ensure consistency and improve outcomes further across the school. The work of the Teaching and Learning Coach (2 days a week) and reviewed roles and responsibilities of the leadership team will continue to focus on embedding this practise.

We want to continue to raise standards of Reading, Writing and Mathematics across school. We aim to cater for the whole child whilst continuing to increase our attainment and progress measures.

We are determined to ensure that the percentage of children working at and above age related expectations continues to rapidly increase. We will continue to focus on developing our Assessment for Learning practices so we can to intervene and support at the point of learning.

The school's evaluation of its own performance is rigorous. Tracking of progress over time for each pupil is thorough, and so we can quickly identify any dips and develop sensible strategies and interventions to promote improvement.

- ✓ A wide range of data is used - achievement data, pupils' work, observations, learning walks, case studies, and staff, parent and pupil voice
- ✓ Assessment Data is collected 6 weekly so that the impact of interventions can be monitored regularly
- ✓ Assessments are closely moderated to ensure they are accurate
- ✓ Teaching staff and support staff attend and contribute to pupil progress meetings each term and the identification of children is reviewed during PGMs
- ✓ Regular feedback about performance is given to children and parents
- ✓ Interventions are adapted or changed if they are not working

- ✓ Case studies are used to evaluate the impact of pastoral interventions, such as of attendance and therapy
- ✓ A designated member of the SLT maintains an overview of pupil premium spending.
- ✓ A governor is given responsibility for pupil premium

We will use ASP, KS2, KS1, EYFS, Phonics, as well as whole school data to evaluate impact in terms of attainment and progress.
