Dear Families,

It has been a very active week at Nine Acres!

Our week began on Saturday with the annual Nine Acres vs Brighstone Relay. A HUGE thank you to Mrs Sim and the team of runners who represented our school. This fantastic yearly event brings two school communities together while supporting good causes, and we are always proud to be involved.

We have also been incredibly impressed with all the children taking part in the WOW Walk to School Challenge. Our Travel Ambassadors and classes have been busy logging their journeys and encouraging active travel. Keep up the great work!

The sporting action continued this week with football fixtures. Our U11 boys played against Barton on Wednesday, while our U9 girls and U11 boys took on Carisbrooke Primary. All of our teams demonstrated the Nine Acres values, encouraging one another, showing excellent teamwork and treating others with respect. We are extremely proud of them all.

Our Year 6 pupils also ventured to UKSA this week to take to the water. Building on their sailing experience from Year 5, these opportunities are invaluable in developing children's understanding of both safety and opportunity on the water. As always, they showed fantastic bravery, resilience and determination as they stepped up to new challenges.

After such an amazing and active week, I hope you all have a restful weekend.

Miss McDonald

CULTURAL DAY 2026

Friday 9th October 2026

After the wonderful success of last year's Cultural Day, we will once again be celebrating the diverse culture of the children of Nine Acres.

The children will explore all of the wonderful cultural experiences of their chosen country and learn about languages, food, the arts and festivals.

Within our school community, we know some of our children and their families come from many different wonderful countries around the world and we welcome those children to bring in anything to share with the class to help enrich the day for their friends.

You may want to send in your favourite recipe from anywhere around the world as we would quite like to put together a cookbook. "The International Flavours of Nine Acres." We look forward to receiving some very tasty recipes to try out!

The children may like to wear their traditional dress on this day, bring in photographs from home or any items that represent their culture. This will really help all our children see life beyond the Island and broaden their international horizons.

Thank you for all your support as together we #belong
