U10 Cup match v Gurnard

# U11 Girls Hampshire Cup

Back in September the U11 girls football team won the Danone Cup which meant they got through to the Hampshire Cup.

On Monday, the U11 girls football team travelled to Southampton to play the next round. The team played incredible well, closing down the opposition and creating space. Just before the break, St Patricks scored. The girls were determined and defended brilliantly.

The game ended 2-0, very proud of the girls to get this far in the competition!!

# U11 Boys League Match

On Thursday the 26th our boys faced Queensgate at home. The boys started very well creating lots of chances and working together like a team. We took the lead just before half-time.

During the second half the boys were defending very well. In the dying seconds, Queensgate found a goal and the game ended 1-1.

Well done boys.
