'Striving for Excellence'

Dressage Competition

On Thursday 19th June, Kayleigh, Olivia and Phoebe S all took part in the Inter Schools Dressage Competition at Little Kennerly Farm in Godshill. It is the first time that children from Nine Acres have taken part. We all had a very hot but lovely morning and the girls all rode brilliantly. We didn't have enough children to make up a team so the girls all rode individually. Olivia Carson and her pony did exceptionally well and came 5th overall. Ten primary schools across the island took part so the girls did exceptionally well.
