'Striving for Excellence'

Friday 7th May 2021

Nine Acres Community Primary School, South View, Newport, Isle of Wight, PO30 1QP
www.nineacrespri.iow.sch.uk 01983 522984 Head teacher: Mrs E. Dyer BA Hons QTS, NPQH

Dear Families of Nine Acres Primary School,

It's been a shorter week but packed full of learning and inspiration!

On Wednesday this week I met with Sydney (Year 5) who is working towards getting her Blue Peter Green Badge - Supersized Climate Hero! As part of her Brownies group they have pledged to help the climate and go more green! She asked to meet with me to discuss how she could help the school become involved and continue to be more environmentally friendly. You will see her message to our families in our newsletter below and we would both love to hear of any other ideas! She is going to be talking to the children in our next assembly and asking the children to pledge their part in school and home. Look out for Sydney's posters coming soon!

Also on Thursday EYFS and KS1 were treated to a virtual African, Caribbean music and traditional stories. The children enjoyed talking to Bemma via our virtual platform all about the African culture both past and present.

Next Tuesday and Wednesday, will be the turn of KS2 looking at African stories and role models. It has been a great opportunity to widen our children's cultural awareness. Thank you to Mrs Broome for organising.

We are still looking to see if anyone can donate or create our 'Little book hut' for our families to enjoy a book swap shop on the playground! If you know anyone or a business that could help please let us know!

As things seem to be moving in the right direction, it is vital we maintain our procedures to keep everyone safe from Covid. I would ask that Parents remember to wear a mask (unless wearing an exemption lanyard) whilst on the playground, keep their distance from anyone not in their household bubble and do not approach the classroom doors to speak to Teachers or LSAs in the mornings. Messages can be given via the office via text or email or phone call. Please remember that the teaching staff are busy teaching all day and will get back to you as soon as they can. They care and they want to work with you but in a safe way. It would be easy to become complacent at this time of easing restrictions but we must remember that covid still exists and can be life threatening. Please respect our Nine Acres family by sticking to the routines at this present time.

Have a lovely weekend!
Mrs Dyer

To notify the school at the weekend or throughout the holiday period of a positive COVID-19 case please email **BOTH** of the above email addresses.

DONATIONS

We would be very grateful for donations of shin pads, football boots and compost. If you can help with any of the above, please let the office know on 522984.

SAVE OUR PLANET

Hi Everyone! I am writing to you for help to save the environment by making little changes where possible. As a school, it would be fantastic if everyone could get involved!

What I am asking everyone to do is replace your disposable water bottles for reusable bottles. Doing this will help the environment by reducing plastic waste. Also, if you could turn off your electronics and light switches when they are not being used, and turn off your taps while brushing your teeth. This will help to reduce light pollution and water wastage! All these simple things we can do and it will help so much! We have to save our planet!

Thank you for reading.

Reading at Home

It is an expectation that all children in Years EYFS – Year 6 should be reading at home at least 3 times a week. Their reading record should be signed by a Parent/Carer each week and these are checked in the classroom on a Thursday.

Year 3 Arundel Swimming Lessons

Arundel Class will have swimming on the following weeks:

Tues 11th May - NO SWIMMING
Tues 18th May - NO SWIMMING
Tues 25th May - 1.00-2.00pm

All children need a packed lunch and a healthy snack on swimming days. A water bottle is also required.

Barnburgh Class swimming begins
Tuesday 8th June 2021.

Young Carers at Nine Acres

We work closely with the Island's Young carers service and we are proud to support our amazing young carers and their families. At Nine Acres we already have a number of registered young carers but we know that this doesn't reflect the true level of need in our community.

- A young carer is anyone under the age of 18 who regularly helps to look after a parent/sibling or other relative with a disability, long-term illness, mental health condition or drug or alcohol problem.
- Young carers often do extra jobs around the home, like cooking, cleaning, helping someone to get dressed and move around or caring for younger siblings.
- There is also an emotional element to caring and a child may be considered a young carer purely because they offer emotional support to their parent or siblings.

The Young Carers service offers emotional support through 1:1 sessions, group activities in school and respite in the school holidays with days out and summer camps. They can assess whether the level of care a young person is giving is appropriate and source support if it isn't.

If you think your child or a child you know is a young carer, please come and talk to us! Mrs Hussey will be able to talk you through what support is available and refer you to the service if you think it is the right thing for the young carer.

FACE COVERINGS

Following Government guidance, a face covering is now required when entering our school building. Please ensure you adhere to this requirement & use a face covering when dropping anything to the office.

Breakfast for Children

Our school has signed up to receive free, healthy breakfast food as part of the Covid response offer, under the National School Breakfast Programme (NSBP).

As part of this government-funded programme, we are able to send home packs of bagels, cereal or porridge to families who may need some support at the moment. If you would like to know more or ask for a pack, please contact the office and ask for Mrs Hussey.

We are here to help all of our families, especially in these challenging times! The benefits of a healthy breakfast include children being settled and ready to learn at the start of the day.
