'Striving for Excellence'

Friday 15th September 2023

Nine Acres Community Primary School, South View, Newport, Isle of Wight, PO30 1QP
www.nineacrespri.iow.sch.uk 01983 522984 Head teacher: Mrs E. Dyer BA Hons QTS, NPOH

Dear Families of Nine Acres,

Another great week with another amazing attendance alert, 97% whole school attendance and 7 classes reaching 100% attendance on Thursday this week. Well done #teamnineacres

By now, your child should have brought home their knowledge organiser which gives you an insight into their curriculum learning this half term. Do take a look and we welcome any extra learning from home to celebrate and share in school.

On this note we had a wonderful Friday celebration assembly with brownie awards, swimming certificates, sailing experiences, beach football celebrations and home learning. Congratulations to them all!! Don't forget to check our Facebook page so you can also join in those celebrations of our children #1%extra.

We are looking forward to welcoming our EYFS families to our phonics sessions on Thursday 21st September 2023. These sessions will help you in understanding how we teach your child to read - it is important to us and your child that you attend so we can work together.

In addition, we will be holding an early Year 6 SATs meeting on Wednesday 27th September 2023 for our families in Year 6 as we want to share with you just how high the expectations are in ensuring your child is ready for Secondary School. We had a fantastic turn out for our Year 6 challenge sessions after school on Tuesday which demonstrates a great commitment to the children's future success.

On Friday 22nd September 2023 we will be holding an afternoon of representation, acceptance and appreciation of different cultures in our community. Families will receive a letter to share which country and culture their class or year group will be celebrating. On our Nine Acres Culture Day there will be fun activities for the children to participate in including learning new languages and the opportunity to learn and respect other people's cultures from our very own Nine Acres community. This is not a mufti day but children who have traditional dress from the countries studied on this day are welcome to come in to school in these. The aim is to make

everyone feel proud of who they are and what they represent but know we all belong to the Nine Acres family.

Have a lovely weekend,
Mrs Dyer

School Development News

On Wednesday, the staffing team underwent training from the new Primary Behaviour Service on recognising children's different behaviours and reflecting on strategies to support emotional regulation in school. We know that we have to be flexible to meet the needs of our individual children.

It was interesting to hear the effects on children's behaviour when they have spent the morning before coming to school on a mobile or tablet playing games. This meant that the children's brains were already over stimulated and highly over loaded which then means they struggle to begin their day focussed and in a place ready to learn. I wonder if we could work together in partnership with you to trial limiting screen time before coming into school and see if that helps our children settle so they can access learning. I know mornings can be very busy but having a positive conversation with your child about their day and what they are looking forward to may really help your child's mind-set and well-being.

HELPING HANDS PTA

An introduction to Helping Hands
 (Nine Acres Parent Teacher Association).

Studies show that there is a direct link between parental involvement and how well children do, so why not get involved from the start!

Why do we have a PTA?

It is an integral part of the school community - raising money which is spent on equipment and resources to enhance our children's educational experience.

However, Helping Hands is about much more than simply fundraising - it also exists to provide closer links between home and school and it is an excellent way to bring staff and families together socially in support of the school, working towards a common goal.

How we raise money

Like most PTAs, the majority of our funds are raised through the events that we run. Some of our most popular events are Pumpkin Carving Competition, Halloween Disco, Christmas Fayre, Valentine Disco and Summer Fayre.

How we spend the money we raise

Funds are typically spent on the 'extras' that are not provided by the school's budget, thus making our children's learning experiences so much more fulfilling and exciting. Some of the items we have recently donated to the school are ... new reading books, gazebos, art trolley, PE equipment, musical instruments, a contribution towards the back playground (equipment and markings) as well as every year, providing a chance for every child to visit Santa and receive a Christmas present and a Celebration for our Year 6 children when they are leaving.

More communications from us can be found weekly in the school newsletter and every parent is welcome to join us at our monthly meetings. If you would like to know more, please contact us via email on helpinghands@nineacrespri.co.uk or leave a message for us at the school office.

We look forward to seeing you soon!
Helping Hands

Helping Hands Meeting

Our next meeting date is Friday 15th September 2023, at 8.45am, meeting in the school's front entrance. Thank you for your continued support if you would like to make contact or join the PTA please email:

helpinghands@nineacrespri.co.uk

SUPPORTING CHILDREN'S MENTAL HEALTH

10 Conversation Starters for Parents

Talking about mental health to children is sometimes hard. To the point that we can put off raising the subject, not wanting to unearth problems or raise overwhelming subjects that we perceive our child is too young or not ready for. But rather than keeping children in the dark, this guide is designed to help you confidently talk about mental health, so they feel comfortable talking about their own worries and end any stigma before it begins.

1 LISTEN

This sounds obvious, but it is not something we are always great at. Active listening is where we listen without interrupting or making judgements and shows interest in what is being said. If your child feels listened to in the 'smallest of problems' they will become confident that you will listen when the 'biggest of problems' arise.

2 ASK TWICE

The campaign from time to change is great. <https://www.time-to-change.org.uk/support-ask-twice-campaign>. Be tenacious about your child's wellbeing. Children instinctively know when your questions and support come from a place of wanting to help and care.

Are you sure?

3 THERE IS NO SUCH THING AS A STUPID QUESTION

This advice also relates to the first point. If your child can ask you any questions about the smallest of things and you listen and answer without shaming or belittling, then they will have more confidence to ask the biggest of questions.

6 TALK ABOUT MENTAL HEALTH NATURALLY

Speak about mental health as part of everyday life, so that talking about our feelings and those of others is normalised. If the usual 'are you ok?' is not creating an opportunity for dialogue then say something like 'I know when something like that has happened to me I felt like this... is that how you are feeling or are you feeling something else?'

7 EMPATHISE

It makes sense that you would feel this way, it is understandable. Children often worry about things that we, as adults, might see as trivial or silly. However, for them at their age and stage it is a big concern and they need our kindness and care when they show their vulnerability and share their worries.

8 HELP YOUR CHILD FEEL SAFE

Teens particularly feel that by talking about their worries or concerns that this will make things worse. Reassure your child that you will discuss a plan of action together and what may or may not need to happen next. If they are a younger child, it is likely you will need to lead the conversation and explain next steps.

4 BE OPEN AND HONEST

Children appreciate honesty, particularly if you are having to share information or talk about a difficult subject. For example, you may be talking about death or loss; 'It's very sad that Nana has died' or 'I feel sad that Nana has died'. How you talk about a subject will differ depending on their age and developmental maturity. Talking about death to a younger child for example will be different to that of an older teen, as their experience and understanding of death is different.

9 MIND YOUR LANGUAGE

Be mindful of the language you use at home to describe and talk about mental health. Stigma often arises from misconceptions and a choice of language which is harmful. Using the word 'mental', 'man-up' or other such words in a derogatory way won't encourage your child to talk about their mental health for fear of being belittled.

5 KNOW WHEN TO SEEK HELP

Assess the severity of the mental health difficulty you are noticing. Is the difficulty making it hard for your child to function regularly throughout everyday life? How frequently is your child affected, how long does it last and how persistent is it? Are they having problems controlling the difficulty? Talk to your child about your concerns and that it is likely they will need further support beyond family and friends.

10 IT IS OK TO SAY 'I DON'T KNOW WHAT TO DO NEXT'

Adults do not have all the answers but often children think they do. It is ok to acknowledge that what your child is experiencing is not something you have come across before or know anything about, but that you will work it out together and seek help together.

Mental Health at Nine Acres

Our Mental Health Mission Statement

We believe having a mentally healthy community is not about being happy all the time, but about working together through the challenges and sharing the celebrations: feeling supported, heard, accepted, valued and empowered.

This week we want to focus on 'the importance of being active to improve mental health'.

<https://www.bbc.co.uk/teach/super-movers/pshe-super-mood-movers-wellbeing/zpxc3j6>

Nail Varnish in school

A reminder that nail varnish is not acceptable or suitable for school. Please remove this before the school week begins.

Water Bottles, Suncream & Sun Hats!!

We ask that only water is supplied on a day to day basis in your child's water bottle. This is the healthiest option.

As the weather continues to remain warm and sunny, please ensure your child arrives to school with sun cream already applied and brings a sun hat.

Nine Acres School Car Park

Please do not use the school car park unless you have a school permit.

We will continue to share the license plates in our newsletters and ask our community to also let us know if they see families using the car park without a school permit.

This is to support us in helping all our dedicated staff get to school on time to teach your children!
