'Striving for Excellence'

Friday 9th November 2018

Nine Acres Community Primary School, South View, Newport, Isle of Wight, PO30 1QP
www.nineacrespri.iow.sch.uk 01983 522984 Head teacher: Mrs E. Dyer BA Hons QTS, NPQH

Dear Families,

The children have settled well into their 'Early Bird' learning each morning. Thank you for your continued support with this routine. Feedback from the pupils is that it is already making them feel more confident with their arithmetic skills and feedback from teachers suggests that pupils are making rapid progress in developing their skills and understanding. On top of this our pupils have really risen to the challenge of learning their Times Tables, several children have been awarded their times table badges and certificates today. The children are chanting these as they move around school and I have been overwhelmed by the number of children who have taken it a step further and been practicing at home. Thank you again for your support.

A quick reminder that our consultation on adding 10 minutes of story time at the end of the school day closes on the 12th November. We really appreciate your constructive feedback and ideas on how we can further support. The next step will be to share the outcomes of the survey with the community and for the Governing Body to take on board the comments made. After this a decision will be made and parents notified.

Next Friday we will come off timetable to have a whole school day on 'Anti-Bullying'. The focus this year is on Respect and Cyberbullying. The children will discuss what is defined as bullying, how to keep themselves safe online and suggestions of where to turn if they or their friend thinks they are being bullied. There will also be some further information for you in next week's newsletter so you can continue to support.

A reminder that the school is closed to pupils on **Friday 23rd November**. Teachers are working together to make sure we are all up to date with the new Mathematics and English strategies that need to be taught and the Leadership Team will be undertaking some further training on developing our Outstanding Culture.

Have a lovely weekend!
Mrs Dyer

HEADLICE IN SCHOOL

A few cases of head lice have been reported in school. We ask that you please do your part in preventing the spread of this condition by checking your child/ren immediately and treating if necessary. If you can continue to check your child's hair regularly this would be helpful. The following website provides useful guidance www.nhs.uk/conditions/head-lice-and-nits

Miss McDonald has been successful in completing her national Qualification for Senior Leadership. Her assessor stated: "This is an outstanding submission"

"Given the outstanding quality of your submission and the rigour and energy with which you approached improvement in reading practice and attainment, your development needs are few and are both identified and met during the project. You should be very proud of your achievement"

We are very proud of you Miss McDonald!!

School Development News

On Wednesday the EYFS team attended the Island conference. This involved networking with other school provisions, sharing best practice and hearing from key national speakers on getting it right for our youngest pupils.

Last week we also received our report from the Local Authority after their inspection on the 12th October. They were particularly impressed by the high quality teaching and learning throughout the school.

Thank you to all the wonderful people who came to the AGM on Monday. The meeting was very well supported and gave the committee a chance to share an overview of what had happened last year – covering events and money raised and spent. We are also very grateful to the parents who remained for the ordinary meeting after, sharing their ideas for future events.

Christmas Card and Mug Design

Over the last few weeks, all the children have been creating a Christmas (or Winter if appropriate) design. These will be sent away and can be turned into cards or mugs if you would like to purchase them. Please look out in your child's book bag, as in the next week we are expecting the Christmas Card and Mug Design order forms to arrive! There will be more information once the proofs are with us.
