Arundel - Fern
Bamburgh - Thomas
Kendal - Nuo
Warwick - Luna.G
Edinburgh - Bailey
Stirling - Ella
York - Grace
Durham - Noah

Sporting Skills

Stirling - Margaux
Edinburgh - Amelia

This week in PE

KS1

In KS1, we have started to practise our catching and throwing skills. Using different techniques to throw and different ways to travel

Lower KS2

In Year 3 and 4 we are learning how to pass and move in a team and when we don't have the ball to find space or to mark an opponent.

Upper KS2

Children in Year 5, have started their basketball topic where they have been developing their passing as well as their dribbling skills.

Children in Year 6, have revisited the passes they need to be successful when playing netball and used these to try to keep possession of the ball during a game of 'keep ball',

Pupils proudly represent their school in competitions, such as basketball and football.
