

Dear Parents and Carers,

We hope you had a lovely half term. We are set to have a busy term immersing ourselves in the world of Dinosaurs and finding out about the dinosaur links on the Isle of Wight. We also have our Christmas production to look forward to!!

Welcome  
**BACK TO  
SCHOOL**

P.E will take place on a Monday and Wednesday, Please ensure your child has a named P.E. kit with them everyday - We might win the attendance award!!

#### Homework

Homework is set on Friday and collected on Wednesday. It will alternate weekly between Maths and English. Please make sure you are also reading daily with your child. After every 5 reads at home they receive a small prize and then once they have read 30 times at home they receive a big prize!

#### Times tables

We are now learning our times tables to help us with our maths! The more children practice, the easier they become, so please practice the 2, 5 and 10 times tables in as many ways as you can! If you have a really confident mathematician, please go beyond this!!

### Dates for your Diary

Mon 25th Nov & Wed 27th Nov 2019 - Parents' Evening.

Friday 6th December 2019 - Helping Hands Christmas Fayre.

Wed 11th December 2019 - KS1 Afternoon Nativity Play.

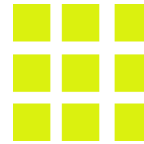

Friday 13th December 2019 - KS1 Morning Nativity Play.

Thursday 19th December 2019 - Christmas Dinner Day.

Friday 20th December 2018 - Last Day of Term. Finishing at 1.00pm

Monday 23rd December 2019 - Development Day.

Thank you,  
The Year 1 Team.

# Year 1 - Autumn Term 2 2019 - Dinosaurs!

## Mathematics

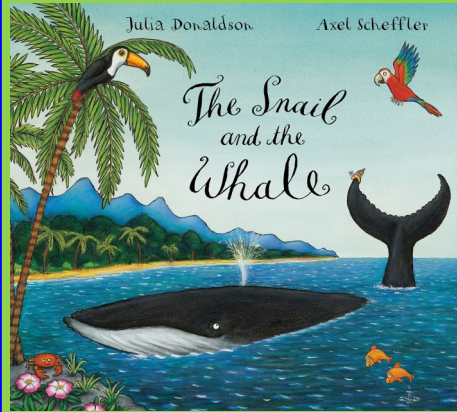

We will be continuing our addition learning this term, looking closely at number bonds to 10.

We want to become number bonds champions and earn our badges. We will be moving onto subtraction of one-digit numbers using a range of concrete, pictorial and abstract methods. Any practice at home would help us to become quicker and more confident.

## English

Our books for this term are written by Julia Donaldson starting with 'The Snail and the Whale'. A whale has suddenly appeared in our outside area and we will be predicting why the whale is here. We will be learning to adapt a story, write a prediction and write a postcard. We will be using skills such as applying adjectives, using capital letters for days of the week, using 'and' to extend our sentences, and using question marks.

## Science

### Why do we not wear shorts in the Winter?

In Science we will be looking at Seasonal Changes. We will be recording the weather and studying the changes in the length of the day, during the different seasons. We will be focusing on how the season affect the weather and the clothes we wear.

## Religious Education

This term we will be looking at the Nativity story in the lead up to Christmas, linking this to journeys that people make.

## Other Curriculum Areas

In topic we will be immersing ourselves in the world of dinosaurs on the island. Do you know which dinosaurs lived here?
