Friday 30th June

KS2 Sports day

U9Cricket

On Monday 12th June, our U9 cricket team played their first ever cricket match vs Gurnard Primary School.

We bowled first and the team showed amazing fielding and bowling skills. With some great catches and also saving lots of runs in general.

We then batted and scored lots of runs but also lost a few wickets, meaning Gurnard won the match in the end.

Very well done to the team, in their very first game, they showcased lots of great cricket skills, good teamwork and great sportsmanship too.
