'Striving for Excellence'

Friday 28th February 2025

On Friday, our girls team took part in the Y5/6 girls football competition. We played 6 games in total facing different schools across the island.

We finished the tournament drawing 4 games and losing 2.

After each game the girls improved massively, showing incredible effort and teamwork. We had no substitutions so the girls had no rest and still played superbly!

We are all proud of your tremendous effort girls!!

Pupils proudly represent their school in competitions, such as basketball and football.
