*'Striving for Excellence'*

Friday 5th July 2019

Nine Acres Community Primary School, South View, Newport, Isle of Wight, PO30 1QP  
www.nineacrespri.iow.sch.uk 01983 522984 Head teacher: Mrs E. Dyer BA Hons QTS, NPQH

## Dear Families,

What an extraordinary week at Nine Acres Primary. We were so privileged to welcome NASA Astronaut Toni Antonelli all the way from America to our school. He talked to the children about his time in space and left them believing that anything is possible. It was such a humbling experience to be in the presence of someone who had been quite literally out of this world!

The children have been having their additional sessions with their new teachers for next year this week. They will have in total 6 more mornings so they can really get settled in ready to make the most fantastic start in September. Thank you to the staffing team for planning and organising these mornings to ensure that the children get the full experience of being in their new curriculum year.

More details about Sports Days will be sent to you next week. Thank you for your patience while we organise the last few details.

Have a lovely weekend,  
Mrs Dyer

## Social Media

We would like to remind all parents that they should refrain from posting any negative comments about the school, the staffing team or pupils on any social media platform. The school has a complaint policy and would urge that parents seek to speak to a member of the Senior Leadership Team. The Governing Body would not hesitate to seek legal advice if necessary.

## School Development News

We received a monitoring visit from the Local Authority on Wednesday last week. The inspector was really impressed by the consistency of expectations in every classroom and across every adult. He was blown away by the pupils' attitudes towards their learning and how dedicated they were on wanting to achieve their very best. He was very complimentary about just how hard everyone was working for the needs of the children and praised the Middle Leadership Team for their drive and ambition to ensure every child succeeds. As we already have identified and shared with you, we will be working further on developing the children's vocabulary and also their learning within the wider curriculum areas such as History and Geography for next year.

## HELPING HANDS

\*\*\*Calling all runners!!!! Round The Island Relay

Race \*\*\*

Nine Acres Community Primary School PTA

Thank you, to all the runners, who have already come forward but we still need more!! This year, the date set is Saturday 14th September 2019 and we will be running around the Island in the clockwise direction. The 70 mile coastal path is chopped into 'legs' of different lengths. If you can run any distance between 2miles – 10miles we would love to have you on the team!!! The race starts at 5am and finishes approximately 5pm (depending on how fast we run) so you can choose a leg that fits around your day. If you are interested in taking part and would like more information please leave a message for Mrs Sim at the office.

### Family Bingo Night – Friday 5th July 6-8pm

Family Bingo is tonight – do not panic if you have not got your tickets yet as they are still available on the door. Dan, who has been our resident caller for a few years now, will be taking charge of the Bingo and normally manages to squeeze in 4 games during the evening. It is £1 entry per person playing and children need to be accompanied by a responsible adult! It is our last event of the year and it would be great to see you all there!! Remember there will be tickets available on the door.

**NEXT MEETING - Monday 9th September 2019 1.30pm**

All members of the school community are very welcome to attend! We are trialling a new time to see if we can tempt even more people to get involved.
