Year 7 - Ethan

Warwick - XXX

Year 7 - Riley

## Most Improved Award

York - Shannon

## PE Passion Award

Stirling - Eden

## Sports Skills Award

Durham - Riley

## U11 Boys Semi-final

On Friday the 7th July, our boys played against Niton Primary in the semi-final.

We batted first and set a total of 90 runs for Niton to chase down. It was a close game throughout, with lots of good cricket being shown by both schools.

It all came down to the final over, with Niton needing 2 runs to win the match off the final ball of the game. Unfortunately for us they did get the runs, meaning Niton reached the finals.

It was a great cricket season for the boys, getting praise from other schools, not just for their skills in the game but also their sportsmanship too.  
Well done boys.

## U11 Girls Semi-final and final

On Monday the U11 girls cricket team played against Newchurch Primary and won the game by 32 runs. This meant we went through to the finals and would be playing against Carisbrooke Primary on Wednesday 12th July.

On the final, Carisbrooke batted first and scored 93 runs. We then batted after Carisbrooke and scored 74, a great effort from our girls and sadly falling short only by 19 runs.

It was a great final, with neither team losing any wickets we hope to go one step further next year and win the title!!

A great effort from all our girls, we are all proud of the amazing effort and skills you've showcased.
