

Our PE this Half Term

PE for Year 2 is on a Thursday. Please ensure that children come to school on this day already in their PE kit with appropriate shoes. This half term the children will be learning to develop our cricket skills. We will be focusing on successfully catching and throwing with different techniques and batting using the batting tees.

Our Religious Education and World Views this Half Term

The children will learn how Christians celebrate Easter and how emotions can change from sadness to happiness. We will be linking our learning to real life experiences and Bible stories.

How can you help at home?

Reading - Please continue to read with your child 3 times a week and don't forget to make sure it is logged on Go Read. Remember to ask your child lots of questions while they are reading to check their understanding.

Maths - To support with our learning of time, please encourage your child to use clocks and watches around the home to identify the time to the nearest 5 minutes. We will also be learning about money so any experiences where your child can handle coins and notes would be beneficial.

Your child will come home with their homework each **Friday**, this will be due in the following **Wednesday**. The homework has opportunities to revisit key spellings, Maths skills and writing tasks.

Dates for your Diary

Mon 1st April 2024 - Bank Holiday Monday - School closed to pupils.

Mon 1st April - Friday 12th April 2024 - Easter Holidays.

Nine Acres Primary School Spring Term 2 2024

Year 2 Team

Miss Hayward

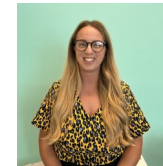

Mrs Gould

Mrs Frampton

Mrs Jervis

Dear Families,

The up and coming half term is going to be extremely busy - but we know the children will take it in their stride. We have forest schools, SATs practise and lots of books to explore with World Book Day fast approaching! We will be working hard to ensure that your children are well prepared and supported through this busy time. This half term's Geography is all about the weather so any conversations at home surrounding this would be helpful.

With thanks,

The Year 2 Team.

Knowledge Organiser

'Striving for Excellence'

Year 2 - Spring Term 2 2024

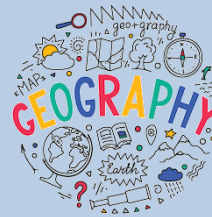

Science

In Science we are continuing our learning about plants and how to care for those in our garden and in the wild. We will be outside identifying our local trees by studying their leaves. We will be looking at some key significant Scientists who impact both the island and the UK.

Geography

- This term we will be studying 'Weather and Climate'.
- We will be learning about weather patterns in and out of the UK and recording our own data about the daily weather changes we see.

Music

In Music this half term we will be using glockenspiels to compose our own Spring rhythms. We will explore simple musical notations and continue our practise of keeping the pulse with a piece of music.

Our English this half term!

Have you ever known someone who has been flattened by a bulletin board?

We'll look no further... this half term we follow the story of FLAT Stanley and his adventures. The children will have the opportunity to develop their writing skills by creating a range of writing outcomes including a recount and a narrative.

They will challenge themselves to become an author like Jeff Brown and write their own Flat Stanley adventure!

This term's exciting book!

Our Maths this half term!

This half term we will tackle time and money – two extremely important skills for life!

They will be learning to identify o'clock, quarter past the hour, half past the hour and quarter to the hour and telling the time to the nearest 5 minutes!

Following on from previous year learning with money we will be extending the children knowledge of the value of coins including notes.
