'Striving for Excellence'

U11 Girls Cup Football Game

On Thursday 12th December, our U11 girls played their first game this season against Greenmount.

The team did superbly, making lots of great tackles and creating many chances. With all of our great efforts we unfortunately couldn't find the back of the net.

The game finished 2-0 to Greenmount, however it was a great game from everyone.

Player of the match is impossible to choose, that's why I'm awarding it to the whole team.

Well done girls, onto the next game!!!

Pupils proudly represent their school in competitions, such as basketball and football.
