Wednesday 5th February

Year 3 and 4

Peach Basketball

On Wednesday our pupils took part in a range of basketball skills circuits. They had a chance to show off their amazing passing, dribbling and shooting skills!!

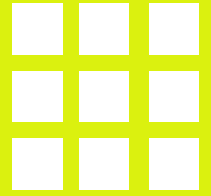

The children were all extremely passionate about basketball afterwards, I'm sure that passion will continue to grow in the future.

Thursday 6th February

U11 Boys V Dover Park

On Thursday 6th, our U11 boys played against Dover Park in their league game. Both teams played well, showing lots of determination and passion on the field.

We unfortunately couldn't find the back of the net with the many chances we had whilst Dover Park did.

The game finished 4-0, however our boys should hold their heads up high, playing well in a very tough game!!
