Dear Families,

Year 6 have been a real credit as they tackled their SATs tests with dedication. They were determined to show exactly what they were made of! A huge thank you to the Staffing Team and Volunteer army who came in to support our children.

Next week our Year 2 children will be taking their SATs. Once again we will support and nurture them through these. If you have any questions please do ask.

The Royal Wedding

We had a surprise visit today! Prince Harry and Meghan popped in to say hello and have a photo with the children. They didn't say much but were clearly pleased to meet us all before the big event!

I hope you have a lovely weekend!
Mrs Dyer

PARENTPAY

ParentPay – our new online payment service

We are pleased to announce that from the 4th June 2018 we will be accepting payments online for dinner money, school trips and clubs. Using a secure website called ParentPay you will be able to pay online using your debit or credit card. For those who are unable to access online you will still be able to use cash at a local PayPoint store. ParentPay will be our preferred method of making payments to school. A pre-launch letter has been sent home with your child today which will hopefully answer some of your initial questions. Letters containing your personal login will be sent via post to the parent who is first contact. For those parents who require an additional account for their child will need to contact the office for an additional login.

Social Media & Facebook

We would like to remind our families and friends of Nine Acres that we as a school use Facebook and Twitter to provide you with school updates about all the exciting work that happens at Nine Acres. We upload photos of your children (if you have given permission) and update you on any events we are holding at school. Please click the like/follow button on Facebook to see our feed.
Thank you!!

We would like to wish Prince Harry and Meghan Markle a wonderful wedding day tomorrow!! All the children have thoroughly enjoyed celebrating today!!

Year 6 Residential to the Brecon Beacons in Wales 18th-21st Sept 2018

In September 2018, our current Year 5 children have the opportunity to spend time in Wales. We have undertaken this residential on many occasions and the trips have always proven successful. The activities that the children access over the course of the trip are excellent and really do improve your child's independence, confidence and ability to work as a team. Many of our current Year 5's have already signed up for this residential, however should you wish your child to attend we still have a few spaces available.

Payments for this trip began in January so we would require prompt payment towards your child's place. The full cost of this trip is £240.00. Please see the office to book a place or if you require more details.

To secure a place for your child we will require a deposit of £60.00 by Thursday 24th May 2018. The trip would need to be paid in full by Thursday 6th September 2018. Thank you.

Head Injuries

As part of our First Aid procedures some of you may have noticed that we send a text message to parents/carers if your child bumps their head.

These text messages are only sent when a minor injury occurs. If it is deemed necessary that the child's head injury is more serious then we will of course ring you and not just send a text. Please refer to the first aid slip sent home for more details on your child's injury.
Thank you.

Child Led Assemblies

This term brings the beginning of our child led assemblies for our Nine Acres children. We are excited to begin these again, as they provide the children with an opportunity to increase their confidence and communication skills to a wider audience, a skill they will need in life.

Please find below the dates for individual classes. Parents/Carers are of course welcome to join us from 9.15 a.m. these assemblies will last no longer than 30 minutes. You are welcome to take photographs of your child on the day but as there will be other children involved, we ask that you refrain from putting these on any form of social media.

Keeping Safe Online

The internet is a great way for children to learn about the world, develop new skills and expand their knowledge but technology is changing all the time and it can be difficult to keep up! It is really important to supervise your child whilst they are online and to talk to them about what they should do if they are unsure or unhappy about anything they encounter on the internet. Many social media apps like Snapchat, Instagram and WhatsApp have age limits – did you know

you must be 18 to have a YouTube

account? The YouTube Kids app is a great way of making sure your child isn't accessing adult content but you should still make sure that you are monitoring what they are watching as sometimes videos slip through the net.

If you have any questions about how to keep your child safe online or if you're not sure about how to have the conversation with them, come in and talk to Mrs Hussey or search 'NSPCC Share Aware' online.
