FIXTURE RESULTS

Thursday 15th November – U9's Football Team

Nine Acres 3 vs 0 Barton

The U9 boys played their first game of the season on Thursday. It was a great game to watch for many reasons. It was so amazing to see eight new faces playing for our team and representing the school, not including the superb teamwork and skills we showed on the day.

We worked really hard for our goal, with lots of near misses it took a moment of magic from Jack who scored a brilliant chip outside the box for us to get our lead. We kept our lead with some spectacular saves from Ashton, diving across his goal throughout the game and was like a brick wall for the team! We got our second just before half time with an own goal from a corner.

Owen then decided to copy what Jack did with another amazing volley over the Barton keeper, scoring our final goal of the game. The second half we focused on keeping a clean sheet and the team did that excellently, with lots of good tackling, clearances and blocks.

Well done to the whole team and best of luck to Barton for the rest of their season.
