'Striving for Excellence'

Friday 8th July 2022

Nine Acres Community Primary School, South View, Newport, Isle of Wight, PO30 1QP
www.nineacrespri.iow.sch.uk 01983 522984 Head teacher: Mrs E. Dyer BA Hons QTS, NPOH

Dear Families of Nine Acres,

What a week! The children have settled wonderfully into their New Year groups and routines. They have risen to the challenge in starting their new curriculum too!

Thank you for all your support with the change. Hopefully you have also been able to put a face to a name of your child's 'teaching team'. Remember we are trialling a new approach across the school by developing teams of staff rather than one teacher to one class. This way we can share expertise to benefit the children. Please do look at their Year Group leaflet for more information about our incredible Nine Acres Staffing Team!

The children and you can now enjoy a Summer break knowing exactly what to expect and who to expect in September.

Some families have asked about uniforms and this is detailed in our weekly newsletter. We understand that at the moment there may be a bit of a mixture due to coming to the end of term and the children growing! We would ask that from September children do wear the full school uniform as expected. For Year 5 and Year 6, this includes a shirt and tie. For all children it is expected that they wear black shoes, not trainers or boots.

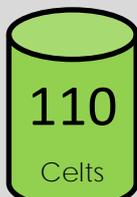

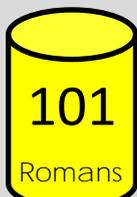

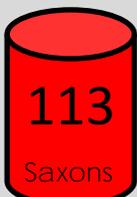

On Tuesday, we received our KS2 SATs results. I can share that these results were incredible, above the national picture and our Nine Acres Year 7 (old Year 6) are all very well placed to achieve their full potential at their chosen Secondary School. We will be sharing these with the children shortly and a letter will come home to their families. A big THANK YOU to the whole team who have supported these special children throughout their Nine Acres journey and to the children who despite all the challenges put in front of them showed real resilience and determination to succeed #NineAcresValues #TeamNineAcres #belief

Hope you have a lovely weekend,
Mrs Dyer

House Points

Well done to **SAXONS** who received the most House Points for this week!

FOODBANK VOUCHERS

We are pleased to announce that we can now provide families with vouchers to the Island's Food Banks. Many families are struggling more than ever with rising household costs and we want to be able to support you however we can. Food Banks support many families across the country and are not just a source of food in a crisis – they can provide a listening ear and signpost you to other agencies who may be able to help if you need it. Referrals can be made to any of the Island's Food Banks for your convenience or confidentiality. There are currently Food Banks in Newport, Freshwater, Cowes, Ryde and Shanklin. If you would like some more information or are in need of a voucher, please speak to Mr Thomas.

Mental Health at Nine Acres

Our Mental Health Mission Statement

We believe having a mentally healthy community is not about being happy all the time, but about working together through the challenges and sharing the celebrations; feeling supported, heard, accepted, valued and empowered.

This week we want to focus on 'The importance of healthy minds and sleeping'.

<https://thesleepcharity.org.uk/information-support/children/relaxation-tips/>

Tackling Prejudicial Language at Home.

As part of our PSHE lessons, we have been learning to identify and challenge prejudicial language and would love for parents to continue supporting this learning at home. Parents/Carers are the most important and influential people in children's lives so here are a few things you can do to make a real difference:

Why do we teach this?

1. Set a good example to your children through positive attitudes and behaviours towards others.

3. Give your children support and encouragement to talk to adults if they hear prejudice language.

2. Get your children to think about how they can speak to and treat other people in a positive way.

We want children at Nine Acres to grow up to be respectful, kind and tolerant citizens of our island. We want them to be able to carry the values of Nine Acres with them for the rest of their lives by being passionate, articulate, persuasive and positively influencing the world around them.

Definitions

prejudice - having a pre-conceived negative thought or belief about an individual who belongs to a particular group.

discrimination - when someone is treated differently or unfairly because of a particular characteristic.

Equality Act 2010 - the law that makes prejudice and discrimination a crime.

Calling all Runners

The seventh Round the Island Relay race, against Brighstone Primary PTA, has been set for Saturday 17th September 2022. This year, we will be running around the Island in the anti-clockwise direction. The 70 mile coastal path is chopped into 'legs' of different lengths. If you can run any distance between 2miles – 10miles we would love to have you on the team!!! The race starts at 5am and finishes approximately 5pm (depending on how fast we run) so you can choose a leg that fits around your day.

If you are interested in taking part and would like more information please leave a message at HelpingHands@nineacrespri.co.uk or leave your contact details for Mrs Sim at the office.

As last year, the children will also get their chance to run during their PE sessions.

NEXT MEETING DATE

The next Helping Hands PTA Meeting will be held on next Friday 8th July, at 8.45am - all welcome. Please meet on the front playground/office. Thank you.
