

Physical Development this Half Term

PE will take place on Thursday afternoons for Year 3. Children will be learning Hockey skills this half term. Please ensure children continue to wear their Nine Acres PE kits (suitable to the changing weather) in to school on **Thursdays** and bring a filled water bottle.

Religious Education this Half Term

In RE this half term, we will be exploring the theme of community through the religious lens of Baisakhi, a Sikh celebration. Pupils will have the opportunity to think about the communities they are a member of and what this means to them.

How can you help at home?

Reading - Please continue to read with your children and check their understanding of content by asking questions. Their GoRead should show they are reading at home **at least** 3 times each week, which can be student logged. Please see a member of the team if you need help with this.

Maths - We are trying to earn our times tables badges. We will continue consolidating the 2x, 5x, 10x and 3x table while moving on to learn out 4s! Please use any opportunity to practise these at home and let us know if you would like any practice sheets.

Dates for your Diary

NOVEMBER 2025

Mon 3rd Nov 2025 - First day of Autumn Term 2025.

Mon 17th & Wed 19th Nov 2025 - Parents' Evening.

Thurs 27th Nov 2025 - Years 3 & 4 Cinema Visit.

YEAR 3 KNOWLEDGE ORGANISER

Dear Families,

We look forward to another exciting half term and want to thank you for your engagement and support at home. We will soon have Parents' Evening to discuss your child's progress so far in Year 3 and this is a great time for any questions you may have for us.

This half term we will continue to deepen our historical skills of chronology and develop our source analysis skills by researching further into the Bronze Age and Iron Age. This, we will move on to our Geography unit of 'What are the key geographical features of the UK, and my region?'. This will include lots of map work so if you have any maps at home, it would be great to take them out and discuss what can be seen on them!

**With thanks,
The Year 3 Team.**

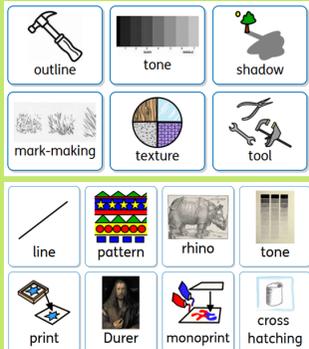

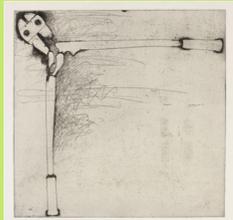

'Striving for Excellence'

Year 3 Knowledge Organiser - Autumn Term 2 2025

Art

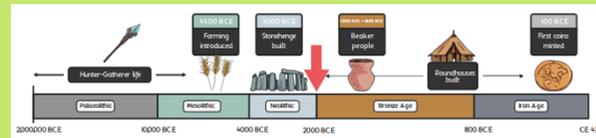

This half term in Art we will be exploring the work of Jim Dine, who was part of the 'pop art' movement. He liked to depict household objects to see them in different ways. What objects could you draw at home? Building up from our previous learning we will be using mark making, line, tone and shadow to convey form.

History

This half term we will continue our journey through history focussing on Beaker people into the Iron Age and Bronze

Age. We will be building on from our knowledge of the Palaeolithic, Mesolithic and Neolithic era to see how things changed with the introduction of mining and smelting to make improved tools.

Music

This half term the children will be using the school glockenspiels to learn a range of traditional seasonal melodies.

E E E - E E E - E G C D E - - -
Jin- gle bells, jin - gle bells, jin - gle all the way.

F F F F F E E E E
Oh what fun it is to ride in a

E D D E D - G -
one horse op - en sleigh

Jin- gle bells, jin - gle bells, jin - gle all the way.

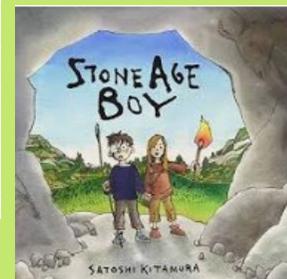

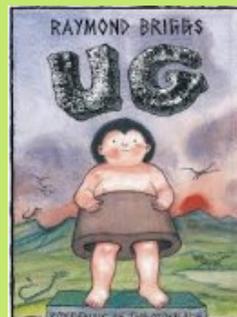

F F F F F E E E E
Oh what fun it is to ride in a

G G F D C
one horse op - en sleigh!

Our English this half term!

Imagine being chased by a Sabre Toothed Tiger or having to hunt a Woolly Mammoth to survive the winter!

We will be writing our own Stone Age stories and creating guides for how to survive in Stone Age times, based on our books and wider curriculum knowledge.

This term's exciting books!

Our Maths this half term!

This term we will continue with addition and subtraction and hone in on our column method skills. Then we will move on to multiplication and division, practicing key number facts and hopefully gaining some more badges to add to our lanyards for times table rock stars!
