U9 League match

V Gurnard Primary

U11 Boys Pokemon Cup

On Friday 22nd September our U11 team started off their season in the boys Pokemon cup.

We played two games on the day, our first being against Carisbrooke Primary School. We unfortunately lost 2-1 in our first game.

Our second game, and last of the afternoon, was against Queensgate Primary School, it was another close game with lots of chances for both teams again.

We lost again by 1 goal also.

Two narrow defeats for our U11's who will definitely be looking for a win in the league! Great effort from the whole team, considering it was their first game back.

Mr Toulson's player of the match – Harry

U11 Girl Pokemon Cup

On Wednesday 28th September our U11 girls played their tournament at Broadlea Primary school.

Our first match was against Broadlea and inside the first 2 minutes we scored a goal. Throughout the afternoon the girls carried on from their strong start and kept finding the back of the net. Winning the first game 3-0.

In our second game we played against Dover Park, the game was like a carbon copy of the first. An early game in the first few minutes and then finishing the game with a 3-0 score line.

What a great start for these girls, scoring lots of goals and not conceding either!

The whole team deserved player of the match, showing great teamwork during both games.

Well done to Heart on scoring her first goal for the school and also to Arrhia, for her first match ever in goal and not conceding!!

Well done!

U11 Girls Tag Rugby Competition

On Thursday 28th September our U11 girls participated in an U11 tag rugby competition at Wootton recreational ground.

The girls played Northwood and Greenmount in their first two matches, unfortunately losing both games 5-1.

We then played a further 4 matches vs Priory, Brightstone, Binstead and Broadlea Primary School.

Out of the total 6 matches, the girls won 2 and lost 4.

However, despite the results it was a great learning curve for these U11's. Learning and understanding even more how to play the game and a lot of them enjoying the experience of participating in another competition.

Well done girls on your great efforts in this competition.
