U9 Cup Game

On Thursday, the U9 football team travelled to Binstead Primary for their rearranged cup game. The team started incredibly well, with some great defending and passing. Just before half time, the team went 1.0 down. After the break, everyone continued working hard and creating lots of chances. These paid off when Seb scored an amazing goal. Just before the final whistle Binstead scored a very lucky goal. Final score 2.1 to Binstead. Well done to all the of the children that played.

Player of the match: Seb
