Years 5 and 6 Quadkids  
Athletics Competition

## **Friday 8th July**

U11 Beach Cricket

## **Wednesday 13th July**

Years 3 and 4 Quadkids Competition

# Chance to Shine Cricket

This week, in cricket the focus was on developing the skills, movement and technique when bowling. Children across the year groups took part in activities alternating between a straight arm stance and rocking motion before combining these skills and aiming towards a target.

## U11 Boys Softball Cricket

On Thursday, the U11 boys cricket team took on Shalfleet Primary in the semi-final. The boys played brilliantly on a small pitch and the game was very close. The final score was a draw with both schools scoring 212 which meant it went to who lost the most wickets to see who would go through to the final. Nine Acres only lost 3 wickets whereas Shalfleet lost 6! We now face Newchurch or Queensgate in the final on the 30th June!

**The Team: Archie, Dylan, Logan, Bobby, Ethan, Kavin, Kyle and Ted.**

**Huge congratulations to the team!**

# Year 5 competition

On Wednesday, Year 5 took part in a four-sport competition including: basketball, handball, capture the flag and dodgeball. Mixed across both Durham and York, teams battled it out in fierce competition with one another.

The afternoon concluded with a class vs class race, utilising our rock climbing wall. Results were close with Durham reaching a total of 39 climbs but York narrowly claiming first place with 42 climbs!
