

Our PE this Half Term

PE will be on a **Monday** afternoon.
Please make sure your child comes to school in their PE kit on a Monday every week and have a water bottle with them.

Our Religious Education this Half Term

This half term will be looking into the concept of 'remembering'.
We will consider lots of different ways to remember special people and big events. We will compare Christian and Jewish remembrance celebrations.

How can you help at home?

Reading - Please read at home with your child **at least** three times a week. Reading Books will be checked daily, don't forget to log your reading on the **BoomReader** app and collect those gems!

Maths - Addition and subtraction to 20. Practise your number facts for your mental maths badges! Start with number bonds to 10.

Geography - When you go to the supermarket, check the countries the food is from, how many different countries can you find?

Dates for your Diary

Fri 13th January 2023 - Mayflower Theatre Trip.

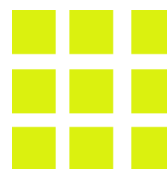

Week commencing 6th Feb 2023 - Design and Technology Week.

Mon 13th Feb - Fri 17th Feb 2023 - HALF TERM.

Mon 3rd April - Fri 14th April 2023 - EASTER BREAK.

Thurs 5th May 2023 - Year 1 Marwell Zoo Trip.

Mon 29th May - Fri 2nd June 2023 - HALF TERM.

Nine Acres Primary School

Spring Term 1 2023

Year 1 Team

Mrs White

Mrs Chandler

Mrs Gosset

Miss Chandler

Dear Parents & Carers,

This term is all about travelling food! No, not food with legs but how far our food travels to get to the supermarkets.

Do you know where the biggest supply of tomatoes are from?

Do you know where around the island produces and sells island grown produce?

We will be learning all about fair trade food and how we can positively influence the world around us by buying locally grown produce.

**Thank you,
The Year 1 Team**

Knowledge Organiser

'Striving for Excellence'

Year 1 - Spring Term 1 2023 - Where does our food come from?

Important facts to know by the end of this topic:

The Isle of Wight is located in England which is in the continent Europe.

Hot and cold countries around the world grow different fruits and vegetables due to their climate.

Fruits and Vegetables are imported from all across the world.

The Isle of Wight specialises in growing tomatoes, garlic and sweetcorn.

Our food travels many air miles to get to our supermarkets.

Key Skills

Human Geography - Do we live in a hot or cold country? Where would you find hot and cold countries? What fruits and vegetables are grown in different climates?

Locational knowledge - We will be using our Geography skills to locate where the Isle of Wight is on a variety of maps.

Key Vocabulary

Country - a piece of land with its own government.

Continent - a large area of land.

Climate - the average measurement of temperature.

Air miles - how far our food has travelled to get to us.

Fair trade - trade between companies in developed countries and producers in developing countries in which fair prices are paid to the producers.

Our English this half term

We will be delving in to the land of traditional tales and fairy tales! Starting with Sleeping Beauty, we will be sequencing the stories, creating new characters and exploring diary entries. What traditional tales can you remember?

Exciting Books we will be exploring too!

Our Mathematics this half term!

Place value! We will be practicing splitting numbers into tens and ones to see how numbers are created.

21 is made from 2 tens and 1 one.
