Edinburgh - Edith

Stirling - Lucas

York - Chelsea

Durham - Yaavinka

## This week in PE

### KS1

This week in P.E we worked on our general fitness, playing mini games and using different modes of movement to make our bodies healthier.

### Lower KS2

In Year 4 we used our passing skills to work as a team and start scoring tries in rugby. Finding and running into spaces where we couldn't be tagged.

In Year 3 we worked using small mini games to help improve our hand-eye coordination and shooting skills in handball.

### Upper KS2

Children in Year 5, have been developing their shooting as well as combining their dribbling and passing skills to keep possession of the ball in small sided games.

Children in Year 6, have continued to develop their passing and moving in small sided games. All children have been developing their fitness whilst trying to complete the most laps.

*Pupils proudly represent their school in competitions, such as basketball and football.*
