## This week in PE

This week in PE, children across the school had their final week of dance.

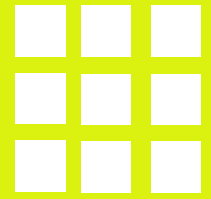

Children in EYFS, were transformers! Moving in variety of ways, direction and with action of different levels.

In Year 1 and 2, we are combining are skills we've learnt from previous lessons into our dances. Ensuring to use different levels, pathways and gestures.

Children in KS2, had the opportunity to have a final rehearsal of their Stone Age, Roman and Basketball themed dance. During which they showcased their skills with a group beginning, self choreographed section before coming together for a cannon finish. Over the term, they have evaluated their own and other performance, providing feedback.

*Pupils proudly represent their school in competitions, such as basketball and football.*

## Match Report 1

On Tuesday, our U9 football team took on Barton Primary in the second stage of the cup.

The whole team showed great teamwork and determination to win the ball and move up the pitch

The game finished 6-0 to Nine Acres, well done to the whole team for a superb performance!!

We will be playing Carisbrooke Primary in the semi finals!

*'Pupils make exceptional progress in this compassionate and determined school.'*
