FIXTURE RESULTS

U10 BOYS vs NEWPORT

Nine Acres 0 – 0 Newport

On Friday the 10th October our U10 boys played their first game of the season against Newport. It was a tough game throughout for both teams, with lots of opportunities to score however both goalkeepers were on top form making key saves when needed.

As a team Nine Acres worked really well together, getting back to win the ball or making a key pass in defence. We unfortunately could not find the back of the net and neither could Newport. Both teams played a great game and we wish Newport the best of the luck in the rest of their season.

A big congratulations to Fynnley, Emmett and Saswin who played their first game for the school this week!
