In PE this week

KS1

In KS1 we are developing and building on our multi skills.

Finding the best ways to: Balance after jumping, increasing our throwing accuracy by throwing at smaller targets from a distance and improving our passing skills working in small groups

KS2

In all of our lessons we are now learning in depth about the rules of our sports.

How we can identify if someone breaks the rules and what we do after a rule has been broken.

All in preparation for our end of term tournaments!!!

Pupils proudly represent their school in competitions, such as basketball and football.
