

# What we have been learning

## Spring Term 2

This half term we have been learning all about  
**Superheroes**

We received a letter from some superheroes who live on planet Zog asking us to take part in superhero training school. They explained that to become superheroes we would need to complete lots of different challenges. They sent us a teleport so we could communicate with them and receive our challenges!

We found out all about different superheroes and their powers. We talked about what superpowers we would like to have and why. We then designed our own superhero costume and turn ourselves into superheroes!

# What we have been learning

## Spring Term 2

I'm Captain Capacity

Captain Capacity asked use to investigate different objects and the amount they hold.

Metal Girl and Magnet Man send us some magnets and metal detectors. Our challenge was to find out what was made out of metal in our environment.
