'Striving for Excellence'

Friday 7th February 2025

Early on in the game we conceded two quick goals, however our boys showed great determination and persistence to level the game 2-2. Both goals scored by Seb, one penalty and the other a free kick.

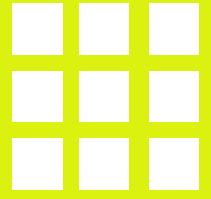

In the second half Broadlea again scored two quick goals, unfortunately this time we couldn't find those two goals afterwards. We made so many opportunities but couldn't score, the game finished 4-2.

U9 Boys V Greenmount

We started the game really well and kept playing superbly as a team. The boys worked great with a determined attitude.

Sonny scored both goals, one in each half. The defence were just as amazing not conceding any chances.

Full time 2-0 Nine Acres.
