Durham - Mithrann

## This week in PE

Children in EYFS have continued to explore their skills in rolling, tracking and catching in a variety of different activities.

In KS1, children are continuing to develop their fielding skills and knowledge when catching and throwing. Aiming at smaller targets and using different throws.

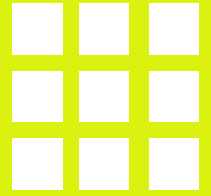

In KS2 children have developed further their fielding skills, looking at different techniques to prevent the other team from scoring lots of runs!

*Pupils proudly represent their school in competitions, such as basketball and football.*

## This week in PE

This week in PE, children in all year groups have started to develop their bowling skills in cricket.

In EYFS we have used different equipment to start our bowling journey.

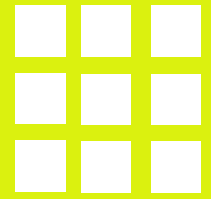

In KS1, children are learning their under-arm bowling technique becoming more confident and accurate when aiming at a target.

In KS2 children have developed further their bowling skills, looking at and becoming more confident using different techniques.

*Pupils proudly represent their school in competitions, such as basketball and football.*

v Haylands

## Match Report 1

Our U9 boys took on Carisbrooke in a double header. Playing their league and cup game.

We lost the league game 2-0. However in our cup game we showed great determination and passion to bounce back and win the cup game 2-0.

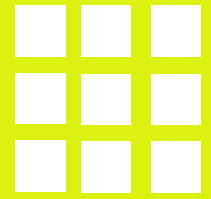

Well done boys reaching this years cup final !!

Player of the match—Ralph
