

Dear Parents and Carers,

Welcome back to the last half term, of Year 2, we have lots of fantastic learning opportunities for the children. Homework and spellings will be given out every Friday and expected back on the following Wednesday, as we are approaching the end of the school year we expect the children to be independent when handing in homework and spellings and changing their reading books with the teacher in preparation for Year 3.

The homework will be English and Maths on alternate weeks focusing on mastering skills ready for their move up in September.

PE sessions are on a Monday and Wednesday, the children will be expected to have their PE kits ready to use on these days.

### Dates for your Diary

Monday 17th June 2019 - Development Day.

Tuesday 25th June 2019 - Windsor Class Assembly.

Friday 28th June 2019 - Transition Day.

Mrs Frampton

## Parent Information Leaflet

'Striving for Excellence'

# Year 2 - Summer Term 2 2019 - Theme: Roald Dahl

## R.E.

### Ideas about God

We will be learning about God and investigating what our ideas are of what a god really is?

## Science

In science, we will continue to learn about animals and humans. We will be asking questions about how humans and other animals grow and what they need for survival.

**Can carnivores eat vegetables? What foods would be suitable to feed insects? What happens to our bodies when we exercise?**

## Computing

In a world full of technology, we will be learning how to become our very own computer programmers and will make the beebots follow our instructions. I wonder where they will end up! (The technical term if you were wondering is writing an Algorithm).

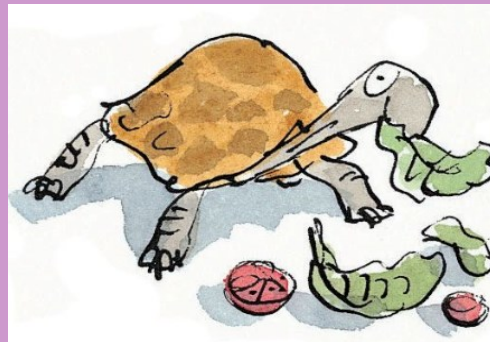

## Mathematics

In Maths this term we will be learning how to apply our operation skills of multiplication, division, addition and subtraction to problems. We will then be mastering our Year 2 skills ready for our move up in September to Year 3.

This half term we aim to bring Maths to the real world.

## English

This half term we are exploring the books written by Roald Dahl closing looking at James and the Giant Peach, George's Marvellous Medicine and Esio Trot. We will be focusing on character and setting descriptions, love letters, recounts and diary entries all whilst immersing ourselves in the lovely world of Roald Dahl.

## Theme

Our theme will continue developing skills through investigating our English author Roald Dahl. We will be making potions like George, creating a pot to capture our dreams like the BFG, exploring maps to locate Roald Dahl's village and creating facts about Roald Dahl and his history.
