Dear Families of Nine Acres,

We have had a very successful week in school with every child moving up onto their New Year Groups and meeting their new Year Team staff members. A huge THANK YOU to the staffing team for all the organisation to make this happen. The children will remain in these 'pods' until the end of term receiving formal education. In September, we will look for a suitable opportunity for you to pop in to meet your child's new teacher and discuss how they have settled in. Please do email in if you have any questions before then.

You may have heard that the latest Government Guidance has been released to schools regarding September opening. As a team we have been busy looking carefully about what this means for us and ensuring we meet the guidance for the safety of our pupils and staff. I am pleased to say that **we will be able to open fully to every year group in September**. We will be following the guidance with each class becoming a 'pod' with their teacher and LSA. I aim to send families a letter regarding the finer details later on this month but it will be very much along the same lines as we are currently providing such as lunches in the classrooms, staggered start and end times to the school day and staggered break/lunch times. We will of course be regularly reviewing procedures all through the Summer Holidays and will keep you updated ready for September. Thank you for your on-going support to help us open to our pupils.

It was lovely to celebrate the EYFS Sports Day on Thursday. Despite the weather we went ahead as planned and the children excelled themselves in both their sports but also their perseverance and team work. Well Done everyone and Thank you to Miss Moseley & Mr Nash for their super hard work!

Next week is our last full week in school and it is vital that your **child attends everyday** it is open to them. We will be finishing for the Summer Holidays on **Wednesday 22nd July** at the normal finishing times.

Have a lovely weekend! Mrs Dyer

It is essential that your child arrives on time and is collected on time. Any lateness could result in us not being able to take your child on that day.

Only one adult should enter the site for drop off and collection please, to avoid overcrowding.

We ask that children do not play together whilst waiting for the teacher in the morning. We understand this is hard and a sad request however this is to avoid cross contamination of the pods. Your child must remain with you.

We ask that adults DO NOT gather at the school gates after drop off. This is to adhere to the social distancing protocols in place set out by the Government.

Privilege Seat Applications – Academic Year 2020/21

Dear Parent/Guardian

As advertised in April this year, due to a new home to school bus contract starting in September 2020, the number of school bus services available will be significantly reduced. This will affect the number of privilege seats that can be offered.

We are unable to confirm which services will be running at this stage but intend to have this information towards the end of July 2020.

We aim to open the first privilege seat application window towards the end of July 2020 for mainstream students, only, therefore, Post-16 students will not be able to apply. There may be an opportunity for Post-16 students to apply later but only after the start of the academic year. We are unable to confirm an application date at this stage, therefore, sixth form students are expected to make their own transport arrangements.

Once we have further information, the following webpage will be updated: <http://www.iwight.com/IWCPrivilegeseats> so please ensure you check this page regularly should you be interested in applying for the scheme.

Please also note the FAQs, Code of Good Practice and Ticket Terms and Conditions sections available via this webpage.

Should you have any queries please contact the Transport Team at the Council via email: transport.info@iow.gov.uk or telephone: 823780.
