

Our PE this Half Term

Monday's this half term will be dedicated to all things dance. We will be exploring a variety of dances and showing off children's talents! We will be preparing a very special dance for you to see at our 'Be Our Guest' Ball.

Wednesday's children will continue to have PE with Miss Moseley and Mr Nash. PE kits to be in school everyday.

Our Religious Education this Half Term

This half term will be looking into the concept of 'remembering'. We will consider lots of different ways to remember special people and big events.

We will then link this to Passover, the Jewish celebration.

How can you help at home?

Reading - Please read at home with your child as much as you can!! Books will be collected weekly, don't miss out on those prizes!

Maths - We have moved on to number bonds to 20, please practise these at home, we are aiming to get some badges! **E.g. 11+9=20**

Theme - We will be looking at how to make the best paper aeroplane, get practising at home for a head start!!

Nine Acres Primary School Spring Term 1

Year 1 Team

Miss Hollands

Mrs Hewison

Miss Hayward

Mrs Frampton

Dear Parents/Carers,

We hope you have had a great holiday, the children have been telling us lots of great things they have been getting up to! This term we have the topic 'Travelling Food'. We will be focussing on where different fruits and vegetables come from and why we cannot grow them in our country. We have a lovely trip planned to go and explore the fruits and vegetables on sale at a supermarket and even bring some back to try! Are there any fruits and vegetables you have never tried?

With thanks, Year 1 Team.

Parent Information Leaflet

'Striving for Excellence'

Year 1 - Spring Term 1 2020 - Travelling Food

Important facts to know by the end of this topic:

The Isle of Wight is located in England which is in the continent Europe.

Hot and cold countries around the world grow different fruits and vegetables due to their climate.

Fruits and Vegetables are imported from all across the world.

The Isle of Wight specialises in growing tomatoes, garlic and sweetcorn.

Our food travels many air miles to get to our supermarkets.

Key Skills

Human Geography - Do we live in a hot or cold country? Where would you find hot and cold countries? What fruits and vegetables are grown in different climates?

Locational knowledge - We will be using our Geography skills to locate where the Isle of Wight is on a variety of maps.

Key Vocabulary

Country - a piece of land with its own government.

Continent - a large area of land.

Climate - the average measurement of temperature.

Air miles - how far our food has travelled to get to us.

Our English this half term!

We will be delving in to the land of traditional tales and fairy tales! Starting with the Three Little Pigs we will be retelling the stories, writing news reports and exploring diary entries. What traditional tales can you remember?

Exciting books we will be exploring too!

Our Mathematics this half term!

Place value!

21 is made from 2 tens and 1 one.

What would 34 be made out of?
