U11 Girls Cricket

On Friday 19th May, our U11 girls hosted a tournament against Brighstone and Wootton Primary School. We played against Brighstone first and won the match by 21 runs.

Unfortunately, the weather got worse and we couldn't play our second match due to heavy rain, so we will reorganise our fixture with Wootton after the half term.

U10 Cricket

On Wednesday 24th May, our U10 boys played against Brighstone Primary School.

We bowled first and showed really good fielding skills, getting 5 wickets altogether, with two great catches and 3 run outs.

We then batted and had to chase 118 runs, unfortunately we only made 88 runs.

A great effort from our boys however considering it was their first game they did amazingly.
