U10 Boys Semi-Final

On Thursday 2nd March, our U10's played against The Bay Primary School.

It was a very difficult first half and with lots of great defending and some superb saves, we went into half time 3-0 down.

We did score a well deserved goal for our efforts and drew the second half 1-1.

Final score: 4-1 to The Bay.

A massive congrats to our U10's who reached this stage of the competition, we'll be looking to reach even further next season!!

U11 Boys Quarter-Final

On Friday 3rd of March, our U11's played against Barton Primary in the quarter-final of the league.

We got off to a very quick start taking the lead in the first minute, only for Barton to then score 2 afterwards. Late in the first half we scored again, going into half time 2-2.

There were lots of chances for both teams in the second half, with good saves from both keepers. Barton scored really late on, and we unfortunately couldn't find another goal and the game finished 3-2.

Year 5 and 6 Basketball Final

On Wednesday 1st March, our U11 basketball team played in the Island finals.

In the group stage we played against Greenmount, Niton and Bembridge.

A massive well done to the team for winning all of their group stage games!! This meant we moved onto the next stage and into the final 4.

We played Gatton and Lake for a spot in the final and won 6-4!!

We faced Greenmount again in the final, unfortunately losing 6-4 but finishing 2nd overall! A brilliant achievement, meaning we have qualified for the Hampshire competition.

U11 Girls semi-final

On Wednesday 8th March, our U11 girls football team played against Newport Primary School in the girls league.

With the torrential rain, it was a very hard game for both teams trying to move the ball forward. Newport scored a late goal in the first half to take the lead. With no more goals the game finished 1-0 to Newport, our girls created a lot of chances in the second half but couldn't score.

A big well done to our girls reaching the final stages of another competition!!!
