'Striving for Excellence'

Friday 21st May 2021

Nine Acres Community Primary School, South View, Newport, Isle of Wight, PO30 1QP
www.nineacrespri.iow.sch.uk 01983 522984 Head teacher: Mrs E. Dyer BA Hons QTS, NPQH

Dear Families of Nine Acres Primary School,

I can't believe next week is the last week before half term. In some ways it has been a lovely long half term allowing everyone to settle back into the routines of school life and get really into their learning but, on the other hand I can see that both the children and staff are now ready for a break before starting the last half term of what has been a challenging year.

With regards to next year, as always, I will wait until after the 31st May before discussing with staff next years classes and teams. We will then take the time to discuss each child and transfer any information between teachers. As soon as we have finalised this I will of course send a letter in June to our families with all the details including our transition weeks which support our children in moving to their next stage of their education.

On Monday 24th May we will send you a link to our annual Parental Survey. As part of our whole community it is important to gather your views on the school so we can shape it together for the children. The closing date is Thursday 27th May and we will publish the results of the survey in our newsletter as well as any feedback and/or suggestions added.

Congratulations to Blue House (Vikings) who have totalled up over 600 house points this half term and are awarded their very own Mufti Day to celebrate on Thursday 27th May.

Have a lovely weekend!
Mrs Dyer

Breakfast for Children

Our school has signed up to receive free, healthy breakfast food as part of the Covid response offer, under the National School Breakfast Programme (NSBP).

As part of this government-funded programme, we are able to send home packs of bagels, cereal or porridge to families who may need some support at the moment. If you would like to know more or ask for a pack, please contact the office and ask for Mrs Hussey.

We are here to help all of our families, especially in these challenging times! The benefits of a healthy breakfast include children being settled and ready to learn at the start of the day.
