## This week in PE

Children in EYFS have continued their athletics learning journey. Each week we will be exploring different events and apply our fundamental movement skills to these getting us ready for sports day.

Children in KS1 have been developing their jumping and hopping technique in a variety of different games and activities.

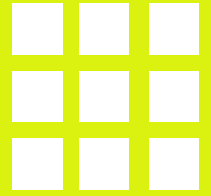

Children in Year 3 and 4 have been developing their long jump technique, measuring their scores and setting PB.

Children in Year 5 and 6 have been developing further their sprinting, triple jump and shotput technique whilst also trying to beat their PB.

*Pupils proudly represent their school in competitions, such as basketball and football.*
