Dear Families,

This week it has been great to welcome the Year 5 and Year 6 children into school at 8:30am for self-directed learning. We are looking at how we can further support the children in their independence and being Secondary ready. They have really embraced this opportunity and have started using the time to either catch up on learning or practice their skills in areas they know they need to develop. We will be trialling this for the next few weeks to see how it goes. Well done children!

As we prepare to move into our Summer Term of learning we will be speaking to all the children about how they can develop their independence both in their learning and socially. Please could you have a chat with them at home about how they make those decisions and be more responsible for their things for example homework, PE kit, remembering letters to take home, lost property etc. It is really important they are ready for their next stage of learning.

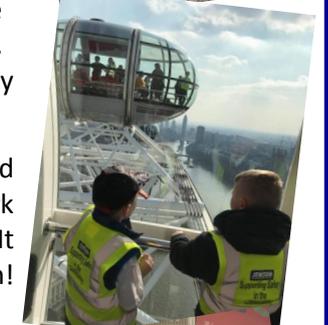

The Year 5 children are currently in London, they have enjoyed seeing the sights, a trip on the London Eye, a visit to Hyde Park and of course catching a West End show on Thursday night. It was a night of luxury in their en-suite rooms in the Premier Inn! They have been an absolute credit to the school.

It was lovely to welcome just over 45 ladies to our EYFS/Y1 Lunch on Wednesday. We wanted to celebrate you all and enjoyed having a good old chat over lunch. Watch the newsletter for a possible date for our Gentleman's tea!

As you are thinking about buying uniform for Summer Term, please may I remind you that only Y5 and Y6 children should be wearing shirts and ties. All other pupils should be in their logo polo shirts please. I would ask that parents now adhere to this as there has been plenty of time leading up to this expectation.

Don't forget to grab your family ticket for the Easter Disco on next Friday night!

Have a lovely weekend,
Mrs Dyer

School Development News

On Tuesday the LSAs came together for training. They were able to feedback to each other about their visits to other Island and Mainland schools recently and also looked at how we can support our children to be more independent in the way they conduct themselves at Nine Acres. We have a wonderful support team here and I would like to take the opportunity to thank them for all their hard work in supporting each and every child.

Meet the Teacher

A bit about me ...

Miss Fry

My family and I have always lived on this beautiful island and it will forever be in my heart. We enjoy going for many walks to explore every inch with my family pet, Buddy the dog, and then come home to warm up with a hot chocolate and a snuggle from my cat Chesterfield! I have one older brother who lives in Germany, two younger brothers and one younger sister.

When I am not at school, I'm either swimming in the sea or my local pool, snuggling up to watch a film or helping my little brother with his homework.

My biggest passion is cooking up a storm whilst dancing around the kitchen. My favourite meal to make is a Sunday roast with a pudding to follow.

Why I enjoy being part of the Nine Acres Team

Nine Acres wowed me from the moment I first stepped through the front door. The hard work shown from all of the pupils to develop their minds and challenge themselves stood out a mile on my first tour. I knew from then I had to be part of the Nine Acres team and now very much look forward to our future! My favourite thing is that I never leave without having smiled throughout the day.

Things I am learning to help the children

Starting to recall our times tables facts, we want to learn them all by the end of Year 2!

As Media lead, I am learning how to encourage the local media to celebrate our wonderful children and help put our name out there. I want our community to be as proud of the school as I am!

Children from our Year 3 classes Arundel & Dover have begun swimming lessons this week. Children are travelling to and from West Wight Swimming Pool by coach and are supervised by members of staff. All children require a swimming costume/swim shorts, a pair of goggles, to bring a named towel and a bag for wet items. Children with verrucas will need to wear a verruca sock and children with long hair should have it tied up or wear a swimming cap.

Year 2 Trip to Roald Dahl Museum and Story Centre Thursday 6th June 2019

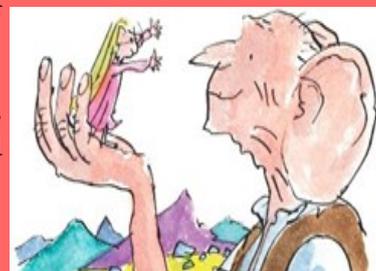

To enhance their learning next term, Year 2 have an exciting opportunity to visit the Bucks County Museum & Roald Dahl Children's Gallery in Aylesbury and to visit his village, Great Missenden. During our trip the children will have a tour around the museum in Aylesbury, take part in a workshop and also go on a walking trail around the village to learn how Roald Dahl incorporated his surroundings in some of his books.

We have managed to keep the cost of this trip to a minimum and we are asking for £15.00 per child, and this is now available to pay on ParentPay.

Should you have any further questions, then please do not hesitate to speak to your child's Year 2 teacher.

All payments & reply slips must be received by 1st April 2019.

HELPING HANDS

Cake Sales

A massive thank you to all the EYFS families who brought in the delicious cakes for the sale last week. We were overwhelmed by the amount of cakes. The sale raised a fantastic £75.56 – the biggest total for a cake sale, this year! Well done EYFS!! Thank you for all your support with these fundraising events.

Easter Disco – Friday 5th April, 5.30 - 7.30pm

Tickets on sale now!! Tickets are available at the school office – please remember, as in previous events, all children must be accompanied by a responsible adult and every person attending needs a ticket regardless of age. Please get your tickets soon as the last disco was sold out!!

May Fayre – Friday 3rd May 2019 3.20 – 5.20pm

We are very pleased to announce the date of our May Fayre, which we have been busily planning for a while. Stalls will include Face painting, sweet tombola, raffle, cake sale, refreshments, Paint a rock, and Bouncy Castle. The event will start with a display of Maypole Dancing and we hope to see you all there – so save the date!! We would also like to announce that there will be pony rides available again this year!

Double or Nothing Freestyle Academy

Last week the attendance winners were incredibly lucky and got to take part in an amazing opportunity. The freestyle football academy came in and taught the kids how to do some awesome tricks! The children had so much fun! It was definitely well worth their efforts to be in school on time everyday to win the attendance award! If any pupils want to have a go at learning new skills or progressing on the ones they have, check them out on their Facebook page **'Double or Nothing Freestyle Academy'**.

Active Travel Week

Well done to everyone that has taken part in the active travel week! Especially those who have made an extra effort to come to school in an active/healthy way! We hope that the students lucky enough to win a prize have enjoyed them and there will be some names going into a draw for pupils to win even bigger prizes!

PE This week!

Mr Ballard and Miss Moseley would like to take this opportunity to express how proud and amazed we are with all year groups for their efforts, focus and determination in P.E lessons this term so far but especially this week!!

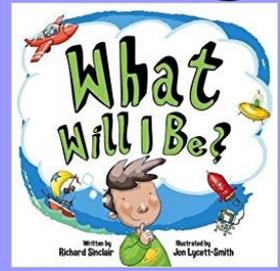

The sports we are learning are some of the hardest and often feel unnatural, but all pupils have been so dedicated to trying their best and putting 100% effort into the lessons!

WELL DONE TO EVERY PUPIL AND KEEP
UP THE GOOD WORK!!

What we have been learning

Spring Term 1 - EYFS What Will I Be?

This term we have focussed on our aspirations for the future. Each week we learnt about a new career.

We've been artists, recreating famous paintings.

We became scientists! We explored the world around us, did an experiment with skittles, made volcanoes and explored how popcorn changes.

We turned into architects, designing and then creating our models. Some great imagination!

We ended the term with dressing up as what we want to be in the future.

Space cadets on a mission! We learnt about astronauts and using technology.
